INFORMATION DISCLOSURE STATEMENT

Sir:

Attached hereto is a copy of Form PTO-1449 along with a copy of the single listed reference.

Japanese Published Patent 5-38795 is listed in applicant's specification, page 5, line 7 which constitutes a concise statement.

The IDS filed October 5, 2005, applicant listed Japanese reference JP-63-112686 and included an English abstract thereof. This English abstract would also apply to the enclosed Japanese published patent 5-38795, thus the previously filed JP-63-112686 was a Japanese published application which subsequently matured into Japanese Patent 5-38795. Thus, Japanese Published Patent 5-38795 has a concise statement (applicant's specification, page 5, line 7) and an English abstract (the English abstract attached to the previously filed JP-63-112686).

Since no Official Action has issued, there is no charge for filing this IDS.

Respectfully submitted,

Jordan and Hamburg LLP
